NOTES: The term "members" includes all regular and associate Exchange members, and member firms, general, special and limited partners in member firms, and voting and non-voting stockholders in member corporations. All odd-lot transactions are handled by specialists, and their round-lot purchases and sales for odd-lot accounts are not segregated from their other round-lot transactions. In odd-lot transactions, customers' purchases are specialists' sales and customers' sales are specialists' purchases. All sales totals include short sales. All figures include warrants.
